Smoking Trash (USA) x Whizznt Me

CHESTNUT FILLY Q-PENDING DOB: 21/11/2025

GENETIC TESTING NOT COMPLETE

This 2025 filly represents a rare opportunity to secure genetics from a limited Australian foal crop by the exceptional US reining stallion Smoking Trash, a standout stallion and full brother to Inferno Sixty Six, both sons of the legendary Gunnatrashya, one of NRHA's all time leading sires. With very few foals on the ground in Australia, his progeny are highly sought after and tightly held, making this filly a genuine rarity for the reining market. Her dam Whizznt Me is one of Australia's leading reining mares who has proven herself at the highest level of competition with multiple Reining Australia and NRHA Derby and Open championships, along with Equitana and ARBC titles. Known for her correctness, consistency and elite show pen presence, she combines talent with an exceptional mind, qualities she reliably passes on to her winning offspring. This filly is bred right at the top, combining cutting edge US reining genetics with proven show pen performance. Purpose bred for the winning end of the reining arena, she offers serious upside for those chasing a future star with international level bloodlines.
