

## Name Pending

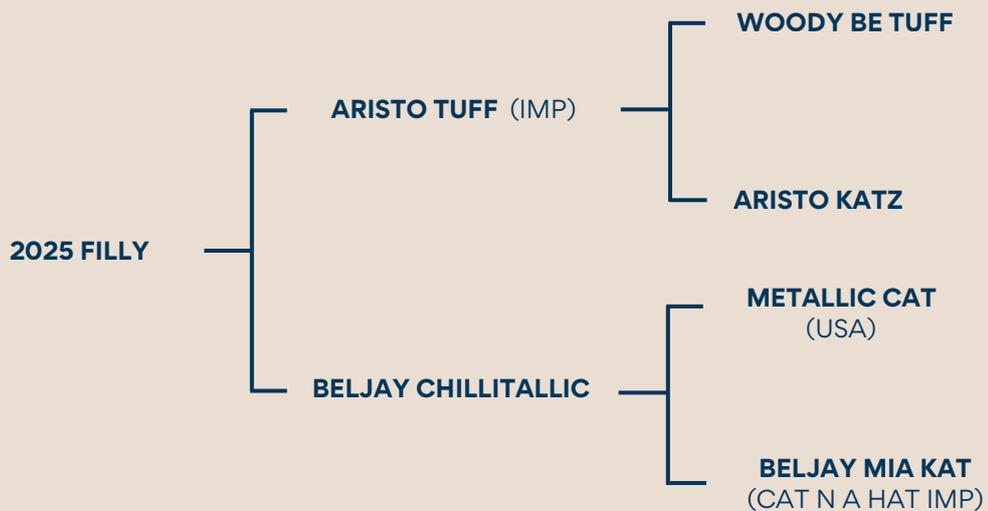

Aristo Tuff (IMP) x Beljay Chillitallic

RABICANO FILLY Q-PENDING DOB: 16/10/2025

GENETIC TESTING NOT COMPLETE

A striking rabicano filly with presence, strength, and beautiful markings—you truly can't get much better than this cross. She is well put together, athletic, and already shows the kind of mind and attitude that makes a cowhorse prospect. This lovely filly is by Aristo Tuff, a US-imported stallion and the only stallion standing in Australia by the legendary Woody Be Tuff—a leading \$15M sire in Cutting, Reining, Reined Cow Horse, Roping, and Ranch events. Her dam, Beljay Chillitallic is a direct daughter of Metallic Cat. She is just starting her Campdraft career and this is her first embryo foal, making this an exciting opportunity to acquire a filly from an emerging performance mare with a proven, elite bloodline. With her pedigree, athleticism, and striking look, this filly is a genuine future performance prospect in multiple disciplines.
