He is by Travelin Jonez (USA), the million dollar cow horse sire and standout performer by Smart Chic Olena. Travelin Jonez earned nearly \$197,000 in the show pen, dominating with major NRCHA Open & Derby wins. Now a proven sire, his offspring have earnings across cowhorse, roping and performance events, consistently passing on cow sense, speed, and versatility. Out of a strong, all-imported mare line, His Dam has progeny to elite US stallions including Steppin On Sparks, Gunners Special Nite and Travellin Jonez. This colt's pedigree is further strengthened by the presence of the champion producing imported mare Gay Badgerette on the dam's side adding depth, grit and proven performance genetics.
