Howdy is a standout colt, well-put-together, correct, and full of presence, built with the mind and structure of a future western performance horse. He is AQHA 7-panel clear, making him not only a genuine performance prospect but also a strong candidate as a future sire. He is by top reining stallion Shine Chic Shine, a son of Smart Chic Olena out of Hall of Fame mare Ebony Shines, who has produced multiple NRHA champions. Shine Chic Shine earned \$148K+ in competition and is now a million dollar sire known for passing athleticism, cow sense and reining talent to his offspring. His dam, My Chics No Wimp, a standout daughter of US import Wimpys Lil Starlight, had a detailed show career with multiple Level 4 NP Futurity titles and open class championships to her name. Available upon weaning in March 2026, Howdy is offered only because facilities do not allow him to be kept intact. This colt represents a rare chance to acquire a high-quality performance prospect with future stallion potential.
