

SCH Tuff Henrietta

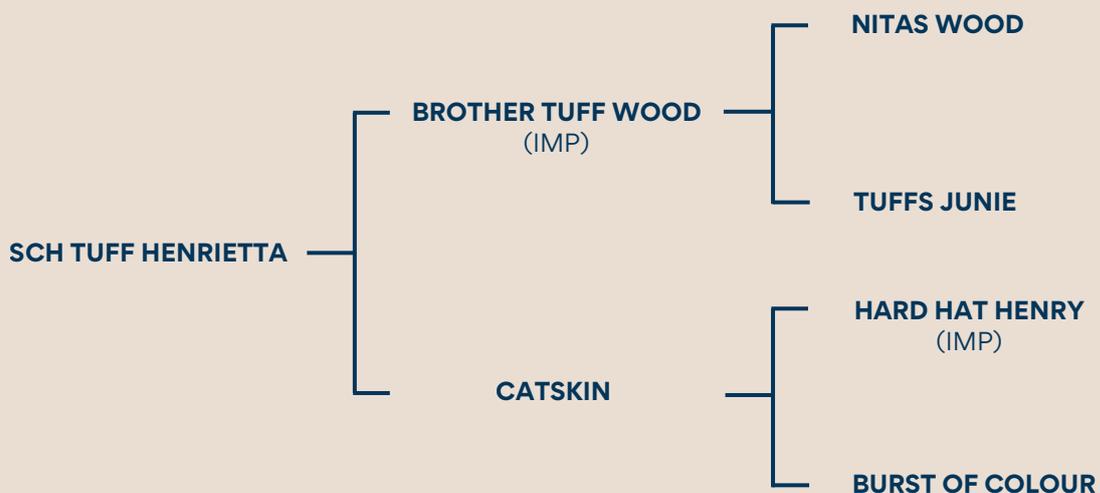

Brother Tuff Wood (IMP) x Catskin

CHESTNUT FILLY PHAA-PENDING DOB: 24/10/2024

GENETIC TESTING NOT COMPLETE

This 2024 filly is a lovely moving, well-balanced young prospect with the kind of natural athleticism that catches the eye. Correct in her conformation and fluid in her movement, she shows all the ingredients you look for in a future performance horse, backed by a proven producing dam line. She is by Brother Tuff Wood, an imported stallion and full brother to the legendary Woody Be Tuff, whose influence spans throughout cutting and cow horse arenas. Brother Tuff Wood brings athleticism, cow sense, strength and a strong work ethic, consistently passing on trainable offspring suited to a range of cowhorse disciplines. Her dam Catskin is a PHAA mare by the imported sire Hard Hat Henry, a consistent producer and proven source of toughness, cow sense and durability. This dam line is known for producing horses that perform and hold up to work, making this filly an exciting long-term prospect. A stylish, correct filly with movement, pedigree and presence—bred to go on and do a job in the performance arena.
