

The Preacher Man

The Animal (USA) x Miss Marple

BAY GELDING Q-103766 DOB: 18/12/23

HERDA N/N HYPP N/N OLWS N/N

Bred in the purple and built to perform, this quality colt combines elite U.S. cutting bloodlines with a proven Australian performance mare line. Well handled and a pleasure to work with, he leads, ties, rugs, picks up feet and is easy to catch—set up perfectly to be started under saddle. Sire: THE ANIMAL (USA) – LTE \$260,000+ A true competitor that thrived under pressure, The Animal was known for power, cow sense and confidence when the cattle got tough. His progeny are now making their mark in Australia, highlighted here in Australia from a very limited foal crop—clear proof this sire is producing. Dam: MISS MARPLE (AQHA / ASH) A highly competitive Novice Campdraft mare, consistently making finals and placing across campdrafts, challenges and snaffle bit cuttings. Proven not just in the arena but as a genuine day to day work horse, from mustering hills to feedlot work. Miss Marple is out of Lady Okie Quixote, a full sister to NCHA Futurity Champion Strokin’ Okie, who also won 40 campdrafts, a powerhouse maternal line stacked with performance and longevity. A serious cowhorse prospect with the mindset, handling and genetics to succeed where it counts, under pressure on tough cattle, and in elite company.
