

Lonesome Dove Aceman

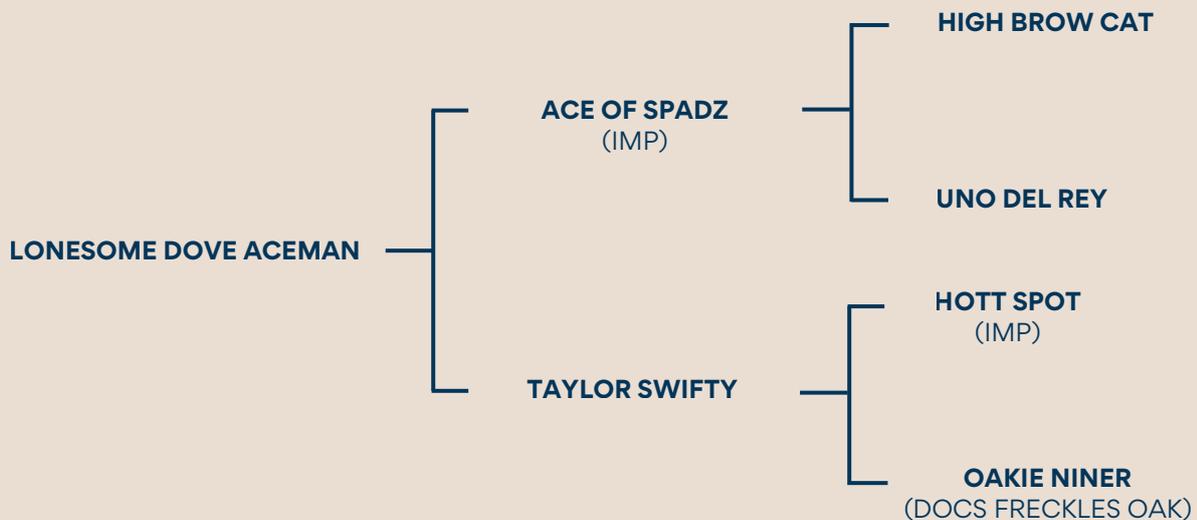

Ace OF Spadz (IMP) x Taylor Swiftly

CHESTNUT GELDING Q-105554 DOB: 09/11/2024

HERDA N/HDR HYPP N/N OLWS N/N

A super quiet, well-built yearling gelding with the conformation, athleticism and mind to excel as an open calibre cowhorse. Correct, balanced, and strong, he has the tried and tested breeding to make a definite prospect. Sired by the High Brow Cat son Ace of Spadz (IMP) who after training and showing in the US is already producing progeny that consistently inherit correct conformation, strong movement and the willingness required for success in cutting and cowhorse disciplines. His dam 'Taylor Swiftly', unshown due to injury is by US import Hott Spot (IMP) and out of a full sister to ROM Cutting Horse Freckles Fortyniner, she was a proven performer with cutout wins at Warwick and Paradise Lagoons. This cross has already produced champions, including the 2025 Warwick Gold Cup winner and Chinchilla Grandfather Clock draft champion, proving the line's ability to consistently produce Open level performers. With elite pedigree, natural athleticism and a willing mind, this gelding represents a genuine opportunity for a rider seeking access to a future champion cowhorse.
