

Rockstar INXS Cash

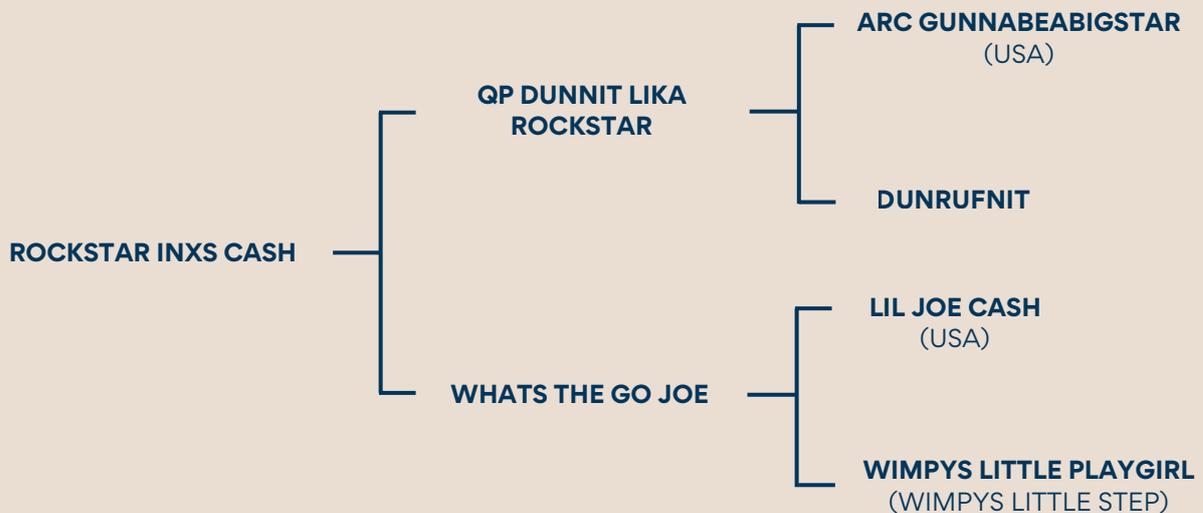

QP Dunit Lika Rockstar x Whats The Go Joe

PALOMINO FILLY Q-PENDING DOB: 02/10/2025

GENETIC TESTING NOT COMPLETE

Tigerlily is a striking young filly with the movement, mind and pedigree to develop into an exceptional reining prospect. She shows natural reining ability with a soft slow lope, smooth transitions and outstanding natural lead changes, combined with a kind, confident temperament and strong people focus. She is the first foal from both sire and dam, taking her athleticism and balance from her sire QP Dunit Lika Rockstar (Edgar) and her eye-catching markings from her dam Whats The Go Joe (Millie). Edgar is a 2025 Reining Australia Novice Horse Level 2 Champion and Reserve RA Open Champion, from an extremely limited first foal crop, with Tigerlily the only progeny available in 2026. His pedigree is anchored by ARC Gunnabeabigstar (USA) and the elite producer Dunrufnit. Her dam, Millie, is a talented young mare by Lil Joe Cash (USA) out of Wimpys Little Playgirl, booked for professional reining training with plans to show at RA and NRHA level in 2026. With Nu Chex To Cash on both sides of her pedigree, natural movement, and an excellent mind, Tigerlily represents a rare opportunity to secure a future show horse with genuine quality and depth.
