A super lovely colt with the pedigree and conformation to excel in any cowhorse discipline. Stylish, athletic, and correct, he is expected to mature around 14.3-15hh and combines natural ability with a trainable mind. He is by Shines Like Metallic, a proven sire whose progeny continue to achieve top results across cutting, cow horse and campdraft disciplines, passing on athleticism, cow sense, and trainability. His dam, Beljay Mia Kat, is an accomplished performance mare with an outstanding career placing in the NCHA Open Snaffle Bit Futurity, Winner of the Flinders Classic Challenge 2017 by 11 points, ASH Super Quest Champion and 3rd ACA Rookie Horse of the Year 2020 plus she has multiple draft wins and placings to her name. Mia is by Cat N A Hat out of Soda Osprey (dec), a full sister to A Mega Cat and half-sister to Mr Bonbastic (dec). Her oldest progeny is only 5 years old and already showing significant potential, placing in futurity drafts.
