HERDA N/HDR HYPP N/N OLWS N/N MYHM Not tested (Dam N/MYHM)

Leo is a quiet, sensible, and athletic gelding ideal for Non-Pro or Youth riders. He has a naturally gentle temperament and prefers a slower, patient approach, making him perfect for a soft trainer. Solid and well-built, he has been lightly handled with minimal ground work, including catching, leading, and basic handling, and was gelded at 2 years old after maturing beautifully. With 17 months until his 2027 Reining Futurity, there's plenty of time to prepare him for a successful performance career. He is by Lil Joe Cash (USA), NRHA \$3M+ sire, 2011 NRHA Open Futurity Champion and 2012 World AQHA Junior Reining Champion. Lil Joe Cash is out of RS Lilly Starlight (USA), 2006 AQHA Superhorse, Superior in Heading, Heeling, and Tie Down, and sired multiple top performers including Romancing the Chics. Leo's dam, QP Little Lenas Rufnit, is a 14.2hh mare (6-panel n/n) from the elite Dunruffnit line, combining Lil Ruf Peppy, Peppy San Badger, and proven Reining and Ranch Riding performance genetics. Rufnit's progeny are known for intelligence, grit, and trainability, and all have been retained for performance careers. With his exceptional breeding, gentle mindset, and trainable attitude, Leo is a rare opportunity for riders looking for a Non-Pro friendly reining prospect with long-term Futurity potential.
