Remedy is an elite young performance mare prospect, combining exceptional athleticism, lightning fast feet and a sharp, willing mind. Confident, responsive and naturally authoritative, she shows the presence and intelligence sought in top-tier Cutting, Reining and Reined Cow Horse prospects. Correctly raised and professionally evaluated, she is progressing with age-appropriate education and will be ready to start under saddle August/September, with genuine scope for NCHA, Reining Australia Gold Buckle and ARCHA Futurities. She is by Bet Hesa Boon (USA)—NRCHA Supreme Reined Cow Horse and World’s Greatest Horseman champion—from only his second Australian foal crop, adding significant rarity and value. Her dam, Dunrufnit (LTE \$30,000), is a cornerstone performance and producing mare with 37 AQHA Reining points, an AQHA Register of Merit, and 35+ AQHA, Reining Australia and NRHA Champion titles earned over an 11-year show career with Open, Non-Pro and Youth riders. Dunrufnit brings proven Lil Ruf Peppy and Peppy San Badger influence to this cross, strengthening Remedy’s credentials as a genuine elite-level prospect and future broodmare.
