Doc is a well-put-together colt with an exceptional mind and natural athleticism. He moves freely with smooth, balanced gaits, natural flying changes and an effortless way of going that stands out. Extremely people-oriented and easy to handle, he seeks engagement, halters quietly in the paddock and has been correctly raised with regular trimming, worming and age-appropriate education. He is on track to be started under saddle in approximately 6–7 months. He is by Jerseys Baby Driver (LTE \$250,253), an elite NRHA performer and rising sire, crowned NRBC and NRHA L4 Open Derby Champions. By Yellow Jersey and out of Wind Her Up Chic, an NRHA Million Dollar Mare by Smart Chic Olena, this colt is one of the first Australian foals by Jerseys Baby Driver, offering rare access to a proven, high-powered reining pedigree. His dam, Sheza Tassa Whizz (LTE \$5,000), is a proven Reining Australia performer and producer, a Gold Buckle Open Futurity Level 2 & 3 Reserve Champion and 4th in Level 4 Open. Lightly but successfully shown across multiple disciplines, she is renowned for her exceptional temperament and versatility, consistently producing trainable, competitive offspring. Raised and handled professionally at Quarter Plus, Doc presents as a genuine Open calibre or high level Non Pro prospect with strong futurity potential.
