

Mondure Revolution Baby

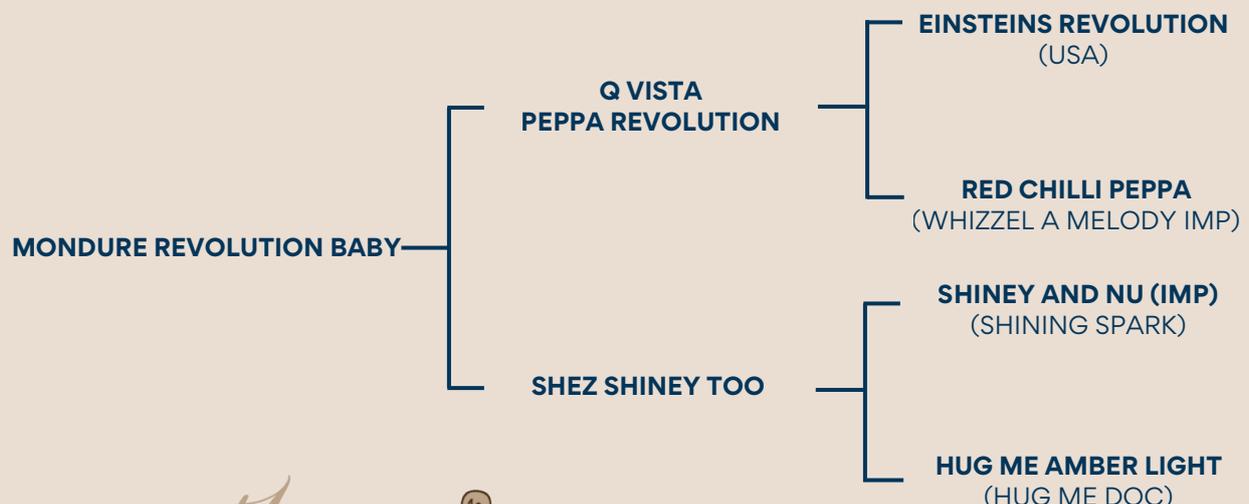

Q Vista Peppa Revolution x Shez Shiney Too

CHESTNUT FILLY Q-PENDING DOB: 16/10/2024

GENETIC TESTING NOT COMPLETE

A stunning, purpose-bred filly with the strength, movement and mind you look for in a future reining prospect. She is extremely well put together, good moving and athletic, with a sensible, trainable attitude to match. Her pedigree is stacked with a long line of proven champions that have consistently excelled in both Open and Non-Pro competition. She is sired by Q Vista Peppa Revolution, an accomplished Open and Non-Pro reining horse by US million dollar sire Einsteins Revolution out of Red Chilli Peppa, producer of Gold Buckle Futurity Champions plus Open and Derby title winners such as Q Vista Shooting Star, Q Vista Step It Up, Wimpys Red Chilli and Big River Urban Legend to name a few. This filly's dam, Shez Shiney Too was started under Warren Backhouse and showed exceptional promise before an injury prevented her from entering the show pen. She has full sisters producing multiple champions with her outstanding maternal line, as she is a direct daughter of the renowned producing mare Hug Me Amber Light. Her Sire is Shiney And Nu, an imported Shining Spark son, adding cow sense to this filly's pedigree. Offered only due to a reduction in our breeding program, this filly represents a genuine opportunity to secure a high-quality reining prospect with proven genetics and a bright future.
